PRESS RELEASE

16th March 2023

Nucleus Software Wins Multiple Awards at the League of American Communications Professionals (LACP) Annual Report Competition, 2021/22 Vision Awards!

Nucleus Software has won two prestigious awards from the League of American Communications Professionals (LACP) Annual Report Competition, 2021/2022 Vision Awards. Firstly, the Platinum Award - for excellence within its industry on the development of the organization's annual report and secondly the Technical Achievement Award - for overall excellence in the art and method of annual report communications.

Nucleus Software is also recognized for developing one of the Top 100 Reports Worldwide ranking at #49 among all reports reviewed, outperforming some of the top Global Companies in this competition.

Despite the wide-ranging impacts of recent geopolitical events as well as the COVID-19 pandemic, more than twenty countries participated, which made the field of competition especially tough. Nucleus Software's annual report demonstrated exceptional characteristics which set it apart as the winning entry.

Mr. Parag Bhise, Chief Executive Officer of Nucleus Software was pleased to say "We are honored and delighted to receive this prestigious recognition of our efforts. Especially during the trying Covid-19 pandemic our teams came together remotely to create the most progressive annual report. At Nucleus Software we are committed and dedicated to creating innovation and excellence in all that we undertake and this award is proof of our actions."

The 2021/22 Vision Awards Annual Report Competition drew an unprecedented number of submissions representing a broad range of industries & organizational sizes throughout the world. Demonstrating how exceptionally tough this year's competition was, nearly 1,000 entries were accepted from more than a dozen countries—all in a year where the impact of the COVID-19 pandemic is difficult to overstate.
